From the Raleigh Sentinel. The Radical Scheme of War and Treason, We call attention again to the alarming

and treasonable character and purposes of the act passed by the Radical Legislature at its late session, entitled "An Act to organize a Militia of North Carolina." This act contains such startling and extraordinary provisions, that we feel called upon to allude to it again, with the hope that the athorities at Washington, the people such charge at the North and South, and especially of this State, will note our warning and take such steps as prudence and wisdom may dictate, to frustrate the war-like and treasonable purposes of a class of desperate men who are bent upon ruling and plundering the country, or bringing on another war, the manifest consequences of which must be the destruction of the Union and
